skill set and Knowledge

Digital Marketing and Business Analysis go together like peaches . and cream. The pages inside illustrate some the areas we have been involved with over the last 20 years.

iC Digital Assets Limited

Skills and Knowledge

This is not a test. There is no pass or fail. It's a guide to how much knowledge or experience you have of each area. Don't be shy, if you think you are good, tick the "Good" box.

Skills	Notes	Stunning	Excellent	Very Good	Good	Average	ОК	Derr!
